NEW CLINICAL STUDY

We are looking for healthy adults, to participate in a vaccination and blood collection study. This study will require 8-9 study visits (1 screening visit, 6 blood draw visits, 2 vaccine visits).

If interested, email clinical.ops@mappbio.com or call (858) 224-9669.

Mapp Biopharmaceutical, Inc.

We develop novel pharmaceuticals for the prevention and treatment of infectious diseases, focusing on unmet needs in global health and biodefense.
